ABOUT US

Elunico Production is a dynamic platform dedicated to the convergence of international projects and creative talent, offering innovative and high-quality products. Founded by Koushik Jharimune, Elunico leverages his extensive experience in the film industry, where he has significantly contributed to over 50 Hollywood movies including blockbuster hits like “Spider-Man,” “Thor: Love and Thunder,” and the Oscar-winning “Pinocchio” in 2023. Koushik’s expertise and vision drive the platform’s commitment to excellence and creativity.

Complementing Koushik’s cinematic achievements, Sourabh Dasgupta brings his remarkable experience as a creative director from the advertising world. With a prolific portfolio of over 350 TVC ad films, Sourabh has worked with a host of celebrated actors such as Shah Rukh Khan, Kareena Kapoor, Parineeti Chopra, and Boman Irani. His extensive background in creative directing commercials ensures that Elunico delivers top-notch creative solutions across various media.

Together, Koushik and Sourabh’s combined expertise make Elunico Production a powerhouse in the creative industry, seamlessly blending the realms of film and advertising to deliver exceptional projects globally.

Chris Gayle Introduction Video - A Grand Welcome by Skipper

https://youtu.be/T3na5bZU4NI?si=-yu-_AQ1Mhlyf7IM

Elunico Production composed the original music and produced the full video presentation for Skipper PVC Pipes during their prestigious Universal Boss Meet. The music, infused with vibrant Jamaican-style rhythms, set an energetic and engaging tone for the event. From concept to execution, the entire production reflected Elunico's commitment to creativity and quality. Once again, this project proves that Elunico can deliver diverse and dynamic content that meets the highest standards—no matter the brief.

Ajanta Shoes - Emotional Storytelling Film

Elunico proudly produced a heartfelt and emotionally driven story for Ajanta Shoes, capturing the brand's essence through powerful visual storytelling. From crafting the initial storyline to handling the entire shoot and post-production, every stage was executed in-house by the Elunico team. This project is a testament to our ability to deliver full-scale productions that connect with audiences on a deeper emotional level, while maintaining the highest creative standards.

Saurabh delivered an exceptional creative vision as the Creative Director of this groundbreaking film. His unique concept brought to life the sounds of 118 cars, transforming mechanical noise into a melodic experience. In collaboration with renowned artists Arijit Singh and Clinton Cerejo, he seamlessly fused automotive sounds with soulful music, creating an immersive audio-visual journey. The idea was not only innovative but also emotionally resonant, pushing the boundaries of sound design and storytelling in branded content.
